SIGNATURE SERIES

**Ashen Series Bench** by *Laurie Wiid Van Heerden in collaboration with Lionel Smit*

*“Lionel’s new body of work is an exploration of process, combining various techniques, which he experiments within his studio. Challenging his ongoing fascination with the portrait, figure and identity.”*

Electro-galvanized and bent 5mm mild steel, with a high-quality automotive paint finish.

Hand-painted by Lionel Smit and finished with durable automotive lacquer.

The bench is assembled with polished stainless steel fittings.
